

Ashburton Playing Fields – draft designs for new community facilities through Parklife Croydon

Parklife Croydon is a partnership between Croydon Council, the Football Association, Football Foundation, and Sport England. The image below shows the proposed designs for new football and community facilities at Ashburton Playing Fields.

Features:

- 2 x '3G' floodlit artificial Football pitches
- New children's play and landscaping
- Improved foot and cycle paths across the playing fields
- New community pavilion inc. café, terrace, small fitness gym, changing rooms, and community spaces
- Dedicated car parking
