MONKS ORCHARD RESIDENTS' ASSOCIATION

Representing, supporting and working with the local residents for a better community.

2019

Wishing you a Merry Christmas  
and a Happy New Year

# MORA – YOUR RESIDENTS' ASSOCIATION

MORA has been representing and a part of Shirley for the past 96 years. We represent people who live in the Monks Orchard area. One of the oldest residents' associations in Croydon, we've set our sights on reaching our centenary and beyond, so we can continue to protect where we live.

The MORA committee is made up of volunteers. We make representations to the local council on planning issues, and provide local updates of what's happening in our area. We could always do with an extra pair of hands, so we'd welcome you to join us and put your skills to good use. We meet once a month, for details of our next meeting email [chairman@mo-ra.co](mailto:chairman@mo-ra.co)

To continue to fund our work we rely on the goodwill and continued support of local businesses, so please consider using them and remember to mention us. Shirley has changed so much over the years, some of it good and some not so good. Without a residents' association there would be no one to help protect the area we love and call home. We look forward to representing you next year as we set our sights on reaching 100 and continuing our work to protect and improve our Shirley.
