Merry Christmas

MORA – YOUR RESIDENTS' ASSOCIATION

Monks Orchard Residents' Association has been representing the residents of Monks Orchard for 98 years. One of the oldest residents' associations in Croydon, we've set our sights on reaching our centenary and beyond, so we can continue to protect where we live.

Shirley has changed so much over the years, some of it good and some not so good. Without a residents' association there would be no one to help protect the area we love and call home. We look forward to representing you next year as we set our sights on reaching 100 and continuing our work to protect and improve Shirley.

During the Covid-19 pandemic, we have kept you informed on our website of all the ways to keep you safe.

For a break from all the stress of life, we have written some stories on our website for you to relax with.

To make you aware of any crime in the area, we have regular crime alerts on our website.

HOW YOU CAN HELP US...

We have recently had to say goodbye to some of our Committee Members, so if you could spend some time to help us out or write an interesting article for our website, then send us an email!
