Dear Mr Ritson

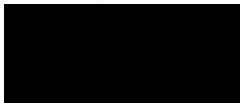

Complaint against London Borough of Croydon

The Ombudsman has asked me to consider if we should investigate your complaint regarding planning application 19/00783/FUL.

As you are aware, we consider complaints that some fault by a council has caused the person making the complaint a personal injustice. For this reason, we need to know details of anyone on whose behalf you are seeking to complain. We must also have their explicit consent for you to act on their behalf. I therefore attach a form which I must ask you provide for any person wanting you to represent them.

I look forward to receiving the forms but I will take no further action in the meantime.

Yours sincerely

Chris Upjohn
